Samuel Watkins faithfully served throughout the duration of the Civil War of the 120 men who enlisted in Company H in 1861. Sam Watkins was one of only seven alive when General Joseph E. Johnston's Army of Tennessee surrendered to General William Tecumseh Sherman in North Carolina in April 1865. Of the 3,200 men who fought in the First Tennessee, only 65 were left to be paroled on that day. Soon after the war ended, Watkins began writing his memoir entitled *Company Aytch* or *A Side Show of the Big Show*. *Co. Aytch*, which is heralded by many historians as one of the best war memoirs written by a common soldier of the field, Sam's writing style is quite engaging and skillfully captures the pride, misery, glory, and horror experienced by the common foot soldier. This edition of *Company Aytch* includes context from contemporaries of Watkins such as Ulysses S. Grant

abraham lincoln and william tecumseh sherman as well as today's best contemporary historians such as james m mcpherson

the best one volume history of the united states ever written joseph j ellis it was thomas jefferson who envisioned the united states as a great empire of liberty this paradoxical phrase may be the key to the american saga how could the anti empire of 1776 become the world's greatest superpower and how did the country that offered unmatched liberty nevertheless find its prosperity on slavery and the dispossession of native americans in this new single volume history spanning the entire course of us history from 1776 through the election of barack obama prize winning historian david reynolds explains how tensions between empire and liberty have often been resolved by faith both the evangelical protestantism that has energized american politics for centuries and the larger faith in american righteousness that has driven the country's expansion written with verve and insight empire of liberty brilliantly depicts america in all of its many contradictions

the sage handbook of measurement is a unique methodological resource in which walford viswanathan and tucker draw together contributions from leading scholars in the social sciences each of whom has played an important role in advancing the study of measurement over the past 25 years each of the contributors offers insights into particular measurement related challenges they have confronted and how they have addressed these each chapter focuses on a different aspect of measurement so that the handbook as a whole covers the full spectrum of core issues related to design method and analysis within measurement studies the book emphasises issues such as indicator generation and modification the nature and conceptual meaning of measurement error and the day to day processes involved in developing and using measures the handbook covers the full range of disciplines where measurement studies are common policy studies education studies health studies and business studies

the trust of events in mcdougall's highly charged narrative brings alive the key figures on this stage the unions four most successful generals served together in only this one campaign which was the last for the controversial braxton bragg
