publishes refereed scholarship in history and related disciplines from initial old world new world contacts to the early nineteenth century and beyond its articles notes and documents and reviews range from british north america and the united states to europe west africa the caribbean and the spanish american borderlands forums and topical issues address topics of active interest in the field

learn more about richard nixon one of america s most unpopular presidents and the only one to resign from the position on august 8 1974 millions sat stunned as they watched richard nixon on tv when he announced he was stepping down as the president of the united states he d participated in a scandal that included secret tape recordings a burglary and a cover up and now his secrets and lies were catching up to him how could nixon a man who had been reelected in a landslide victory just two years earlier now be leaving office in disgrace author megan stine takes readers through president nixon s life from his childhood and military experiences during world war ii to his long political career and the watergate scandal that tarnished his legacy and deepened american s mistrust of the government

while richard nixon s accomplishments and shortcomings are well documented one often ignored aspect of his career is his influence on the media conduct of politicians nixon pioneered the use of visual media in politics beginning in the 1940s during his congressional service his historic checkers speech was the first of its kind a politician using television to save his political career his appearances on entertainment television which are now a normal feature of most national political campaigns broke new ground as well this book details the blueprint nixon set for using television to achieve political goals presidents have often used innovative media as strategic methods of communication and public relations the author argues that nixon pioneered television media using it consistently to connect with the american public

explore the beauty and history of mount vernon and the inquisitive independent mind of its famous architect and landscape designer winner of the john brinkerhoff jackson book prize of the foundation for landscape architecture on the banks of the potomac river mount vernon stands with its iconic portico boasting breathtaking views and with a landscape to rival the great gardens of europe as a monument to george washington s artistic and creative efforts more than one million people visit mount vernon each year drawn to the stature and beauty of washington s family estate art historian joseph manca systematically examines mount vernon its stylistic moral and historical dimensions offering a complete picture of this national treasure and the man behind its enduring design manca brings to light a washington deeply influenced by his wide travels in colonial america with a broader architectural knowledge than previously suspected and with a philosophy that informed his aesthetic sensibility washington believed that design choices and personal character mesh to form an ethic of virtue and fulfillment and that art is inextricably linked with moral and social concerns manca examines how these ideas shaped the material culture of mount vernon based on careful study of washington s personal diaries and correspondence and on the lively accounts of visitors to his estate this richly illustrated book introduces a george washington unfamiliar to many readers an avid art collector amateur architect and leading landscape designer of his time
