the authors are proud sponsors of the sage keith roberts teaching innovations award enabling graduate students and early career faculty to attend the annual asa pre conference teaching and learning workshop modern sociological theory gives readers a comprehensive overview of the major theorists and schools of sociological thought from sociology s 19th century origins through the mid 20th century written by an author team that includes one of the leading contemporary thinkers the text integrates key theories with with biographical sketches of theorists placing them in historical and intellectual context

gives you a comprehensive overview of the major contemporary schools of sociological thought this work integrates key theories with biographical sketches of theorists and theories are placed in their historical and intellectual context it helps students to better understand the original works and appreciate the diversity of contemporary theory

sociology is experiencing what can only be described as hyperdifferentiation of theories there are now many approaches competing for attention in the intellectual arena from this perspective we should see a weeding out of theories to a small number but this is not likely to occur because each of the many theoretical perspectives has a resource base of

adherents as a result theories in sociology do not compete head on with each other as much as they coexist this seminal reference work was brought together with an eye to capturing the diversity of theoretical activity in sociology specifically the forefront of theory contributors describe what they themselves are doing right now rather than what others have done in the past the goal of this volume is to allow prominent theorists working in a variety of traditions who wouldn't usually come together to review their work the chapters in this volume represent a mix of theoretical orientations and strategies but these theories are diverse and represent the prominent theoretical discussions in sociology today some areas included are section i theoretical methodologies and strategies section ii the cultural turn in sociological theorizing section iii theorizing interaction processes section iv theorizing from the systemic and macrolevel section v new directions in evolutionary theorizing section vi theorizing on power conflict and change section vii theorizing from assumptions of rationality this handbook will be of interest to those wanting a broad spectrum and overview of late 20th early 21st century sociological theory

this volume examines the development of shopping as a cultural practice from 1920 to the present

since its independence from britain in 1960 nigeria has emerged as africa's second largest economy and one of the biggest producers of oil in the world despite its economic success however there are deep divisions among its two hundred and fifty ethnic groups centered around three of the dominant themes of nigeria's post colonial narrative ethnicity democracy and governance this is an accessible and comprehensive introduction to the history and events that have shaped these three areas world renowned expert in nigerian history toyin falola shows us how the british laid the foundations of modern nigeria with colonialism breeding competition for resources and power and the widening cleavages between the hausa fulani yoruba and igbo ethnic groups that had been forced together under british rule the choice of federalism as a political system and the religious and political pluralism that have shaped its institutions and practices using an examination of the outcomes of this history manifested in hunger violence poverty human rights violations threats of secession and corruption where power and resources are used to reproduce underdevelopment falola offers insights and recommendations for the future of policy and the potential for intervention in the country

now with sage publishing and co authored by one of the foremost authorities on sociological theory the tenth edition of sociological theory by george ritzer and jeffrey stepnisky gives readers a comprehensive overview of the major theorists and schools of sociological thought from sociology's origins through the early 21st century key theories are integrated with biographical sketches of theorists and are placed in their historical and intellectual context this text helps students better understand the original works of classical and modern theorists and enables them to compare and contrast the latest substantive concepts new to this edition chapter 1 now includes a discussion of colonialism as one of the forces that shaped modern society the historical sketch chapters contain new material on the historical significance of early women founders and on the contributions of w e b du bois chapters on marx durkheim weber and simmel now

an accessible introduction to a wide range of theoretical perspectives on the modern state and a comprehensive overview of modern state theory

the craft of making moonshine an unaged white whiskey often made and consumed outside legal parameters nearly went extinct in the late twentieth century as law enforcement cracked down on illicit producers and cheaper lawful alcohol became readily available yet the twenty first century has witnessed a resurgence of artisanal distilling as both connoisseurs and those reconnecting with their heritage have created a vibrant new culture of moonshine while not limited to appalachia moonshine is often entwined with the region in popular understandings the first interdisciplinary examination of the legal moonshine industry modern moonshine probes the causes and impact of the so called moonshine revival what does the moonshine revival tell us about our national culture how does it shape the image of appalachia and rural america focusing mostly on southern appalachia the book s eleven essays chronicle such popular figures as popcorn sutton and explore how and why distillers promote their product as traditional and authentic this edited collection draws from scholars across the disciplines of anthropology history geography and sociology to make sense of the legal social and historical shifts behind

contemporary production and consumption of moonshine and offers a fresh perspective on an enduring topic of appalachian myth and reality

the ninth edition of sociological theory by george ritzer gives readers a comprehensive overview of the major theorists and schools of sociological thought key theories are integrated with biographical sketches of theorists and are placed in their historical and intellectual context written by one of the foremost authorities on sociological theory this text helps students better understand the original works of classical and modern theorists and enables them to compare and contrast the latest substantive concepts

this four volume collection of cutting edge and canonical scholarship counters the oft cited opinion that studies of middle eastern politics are devoid of social scientific theory and method by providing an overview of the state of the scholarship in the field innovations therein and the debates that have advanced knowledge in the field the collection covers the arab world from morocco to the borders of iran with the focus primarily on the twentieth century and especially the post second world war era by choosing a wide array of authors many of whom are from the region or from the non anglophone world the full breadth of worldwide scholarship on the modern arab world is on display the collection defines politics broadly in line with the most innovative current works in the field of political studies to include not only politics at the state level but also the public social and popular domains that define and shape and are in turn defined and shaped by politics

a revised and updated work of reference and a companion to all fields of modern thought this text covers the whole range of modern thought including anthropology world history critical theory economics education cinema drama linguistics criminology and the sciences
