this encyclopedia provides a broad in depth and multidisciplinary look at the causes and effects of warfare between whites and native americans encompassing nearly three centuries of history the battle of the wabash the u s army s single worst defeat at the hands of native american forces the battle of wounded knee an unfortunate unplanned event that resulted in the deaths of more than 150 lakota sioux men women and children these and other engagements between white settlers and native americans were events of profound historical significance resulting in social political and cultural changes for both ethnic populations the lasting effects of which are clearly seen today the encyclopedia of north american indian wars 1607 1890 a political social and military history provides comprehensive coverage of almost 300 years of north american indian wars beginning with the first indian settler conflicts that arose in the early 1600s this three volume work covers all noteworthy battles between whites and native americans through the battle of wounded knee in december 1890 the book provides detailed biographies of military social religious and political leaders and covers the social and cultural aspects of the indian wars also supplied are essays on every major tribe as well as all significant battles skirmishes and treaties

at the end of the civil war union general william tecumseh sherman was surprisingly more popular in the newly defeated south than he was in the north yet only thirty years later his name was synonymous with evil and destruction in the south particularly as the creator and enactor of the total war policy in demon of the lost cause wesley moody examines these perplexing contradictions and how they and others function in past and present myths about sherman throughout this fascinating study of sherman s reputation from his first public servant role as the major general for the state of california until his death in 1891 moody explores why sherman remains one of the most controversial figures in american history using contemporary newspaper accounts sherman s letters and memoirs as well as biographies of sherman and histories of his times moody reveals that sherman s shifting

reputation was formed by whoever controlled the message whether it was the lost cause historians of the south sherman s enemies in the north or sherman himself with his famous march to the sea in georgia the general became known for inventing a brutal warfare where the conflict is brought to the civilian population in fact many of sherman s actions were official tactics to be employed when dealing with guerrilla forces yet sherman never put an end to the talk of his innovative tactics and even added to the stories himself sherman knew he had enemies in the union army and within the republican elite who could and would jeopardize his position for their own gain in fact these were the same people who spread the word that sherman was a southern sympathizer following the war helping to place the general in the south s good graces that all changed however when the lost cause historians began formulating revisions to the civil war as sherman s actions were the perfect explanation for why the south had lost demon of the lost cause reveals the machinations behind the sherman myth and the reasons behind the acceptance of such myths no matter who invented them in the case of sherman s own mythmaking moody postulates that his motivation was to secure a military position to support his wife and children for the other sherman mythmakers personal or political gain was typically the rationale behind the stories they told and believed in tracing sherman s ever changing reputation moody sheds light on current and past understanding of the civil war through the lens of one of its most controversial figures

today the saxophone is an emblem of cool and the instrument most closely associated with jazz yet not long ago it was derided as the siren of satan and it was largely ignored in the united states for well over half a century after its invention when it was first widely heard it was often viewed as a novelty noisemaker not a real musical instrument in only a few short years however saxophones appeared in music shops across america and became one of the most important instrumental voices how did the saxophone get from comic to cool bandleader tom brown claimed that it was his saxophone sextet the six brown brothers who inaugurated the craze while this boast was perhaps more myth than reality the group was indisputably one of the most famous musical acts on stage in the early twentieth century starting in traveling circuses small time vaudeville and minstrel shows the group trekked across the united states and europe bringing this new sound to the american public through their live performances and groundbreaking recordings the first discs of a saxophone ensemble in general circulation the six brown brothers played a crucial role in making this new instrument familiar to and loved by a wide audience in that moaning saxophone author and cornet player bruce vermazen sifts fact from legend in this craze and tells the remarkable story of these six musical brothers william tom alec percy vern and fred vermazen traces the brothers path through minstrelsy the circus burlesque vaudeville and Broadway musical comedy cleverly weaving together biographical details and the context of the burgeoning entertainment business the author draws fascinating portraits of the pre jazz world of american popular music the theatrical climate of the period and the long slow death of vaudeville delving into the career of one of the key popularizers of the saxophone that moaning saxophone not only illuminates the history of this novel instrument but also offers a witty and vivid portrayal of these forgotten musical worlds

includes the decisions of the supreme courts of missouri arkansas tennessee and texas and court of appeals of kentucky aug dec 1886 may aug 1892 court of appeals of texas aug 1892 feb 1893 jan feb 1928 courts of civil and criminal appeals of texas apr june 1896 aug nov 1907 court of appeals of indian territory may june 1927 jan feb 1928 courts of appeals of missouri and commission of appeals of texas

silent films were of course never silent at all however the sound that used to accompany the screen picture in the early days of cinema has been neglected as an area of study altman explores the various musical narrative and even synchronized sound systems that enriched cinema before jolson spoke

mind your own dystopia hazen stephenson grew up pampered and he knows it but he s never had it easy hazen s nightmares aren t merely products of his imagination and he wrestles daily with guilt responsibility and questions of fate setting off across the globe he meets people he s dreamed about and changes their lives for better and for worse then he meets renny nado who never dreamed her creative writing degree would amount to much but a people called the kota say her gifts point to an important destiny and she must convince hazen of their purpose meanwhile the world is full of pain

hate and political upheaval should they accept what the kota say about the future and their place in it or should they keep their heads out of the clouds
